Celebrations:

-A number of students did very well at track and field. College Park has 5 who qualified for provincials!

-Great grand-opening! A sense of family was expressed!

-Staff greatly appreciated the parent's efforts! The supervision coverage was a highlight!

6. Unfinished Business by SCC Focuses

-Breakfast for lunch forms will go out tomorrow. This will be served on June 16th.

-Review of Track and Field concession for the fall. Ideas for next year: Have a larger number of volunteers cover shorter periods of time. Letting parents know several months in advance of the date for track as a huge number of our parents work. Volunteer spot worked well.

7. New Business

• Next Year Planning:

-SCC Communications: Michele Gustafson had great ideas of how to communicate with our parents next year. Membership forms, Google account integration, use of volunteer spot. We as a SCC will be educated on all of these communication ways.

-SCC will send out a parent volunteer form to parents by e-mail in the fall. We will use mail chimp. Communication will be sent to all parents to share our role, and how they can join our efforts.

- Next Year Calendar:

Parent support:

-Invite IT department to present in the fall about google. We would like this presentation to be mid-September.

-Another parent support about Sexting evening presentation by Grant Kirzinger. Michele Gustafson will contact Grant Kirzinger. First two weeks of October or early November would be ideal for presentation.

- Michelle Cowan will contact the Lloydminster and Area Drug Strategy about a presentation and display for the spring 2016. Beginning of March would be ideal.

-We would like to support Tech-Less activities. Our first tech-less time Monday will be September 21st at College Park. This family evening will be Salsa Dancing Class Night lead by Michelle Gustafson.

School Family:

-October fall staff appreciation will on student led conference day. Date TBD based on dates offered by school in the fall for student led conferences.

-SCC will assist with clothing orders in the fall.
