Principal's Report:

March-April

April, May and June are very busy months in schools. We are currently trying to wrap up one school year and plan for the next school year at the same time. Coming up are a number of field trips, track and field events for 709, 4-6 & K-3, F & P testing (reading) will be occurring shortly and of course our Honouring our Cobras night on June 8th.

Staffing allocations are being finalized in a very challenging fiscal year in which College Park remains pretty stable. Again, Hockey Academy for College Park and Lakeside residence will be housed at College Park.

We had a very successful Music Festival with many of our individual students gaining top marks and our bands performing at a very high level. Our grade 6 bands received the highest grades for bands at that age. The Just Jazz concert and dance at E. S. Laird was once again a 'Swingin' Good Time'. Our grade 9's just participated in Try A Trade and really gained a lot from the experience. Our grade 4's attended Farm Safety days at the exhibition.
