

# COLLEGE PARK SCHOOL

## College Park Reopen Plan August, 2020

### Welcome Back Cobras

On behalf of the staff at College Park School, I would like to welcome you back to school. It has been a little over 5 months since we closed the building and moved to remote learning. We are excited to reopen the doors and welcome students back on September 8th. In the past two weeks, we have been developing plans for College Park based on the guidelines from the Province of Saskatchewan and LPSD. Homeroom teachers will be in contact with families over the next few days.

### Enhanced Safety Measures

This fall, we will have enhanced safety measures. We are increasing our sanitization of high touch areas throughout the school and classroom areas. An important part of our plan is proper hand washing and sanitizing. There will be regular scheduled times to wash hands, such as before and after eating, and before and after recess. Hand sanitizer will be available in all classrooms and entrances. Students will also be instructed on and encouraged to practice social distancing.

All students will be provided two reusable masks. Masks are required for all students when riding a bus, and are also required in the school for grade 4-9 students in common areas and where social distancing is not possible. When seated at desks engaged in individual work, students may choose to remove their masks. Masks must be worn during whole group instruction. Although not required, students in K-3 are encouraged to wear masks as well. There is a supply of disposable masks available for students, staff and visitors. Parents and visitors will require an appointment to enter the school.

### Students displaying Covid symptoms

It is expected that parents will do a daily check of their child for symptoms of Covid-19 and not send their child to school if exhibiting symptoms. The following link from Saskatchewan Health is a good source of information. Staff will also monitor students while at school. If a student develops symptoms at school or upon arrival at school, the student will move to the Illness in Care room, and the parent or guardian will be notified to pick up the student immediately. The student will be supervised while in the Illness in Care room.

### Busing

Busing will be available for College Park Students. All students will be required to wear a mask on the bus, regardless of grade. In order to ride the bus, students must be registered and sit in their assigned seat. All buses will have enhanced cleaning measures in place between runs and routes. Bus route cancellations will be posted on the LPSD website and we encourage parents to check daily.

### Extra curricular activities

At this time, all field trips and extra-curricular activities are postponed. There will also not be any before school care.

### School Based Supports

College Park will have counselling support available for any students requiring mental health and social/emotional support.

### School specific protocols and procedures

Arrival at school in the morning		
Students Walking	Bus students	Parent drop off
Arrive between 8:05-8:15 and proceed to your homeroom	Proceed to your homeroom after you get off the bus	8:10 Last name A-I 8:20 Last name J-R 8:30 Last name S-Z

Staggered lunch times - Students who leave for lunch are asked to not return until 12:40		
Grades K/1/2/3 Lunch at 12:00, Recess at 12:25	Grades 4/5/6 Recess at 12:00, Lunch at 12:20	Grades 7/8/9 Lunch at 12:00 remain in their homerooms for the remainder of lunch unless leaving and going home. Staggered exit times for all grade 9 at 11:55, grade 8 at 12:00 and 7 at 12:05.

End of school day dismissal: Students will leave via assigned entrance and proceed either walking, bus or parent pick up. Teachers will share more information about entrances next week.				
2:55	3:00	3:05	3:10	3:15
Daycare will pick up the after school students from K and walk to the daycare	Last Names A-I Via designated door	Last Name J-R Via Designated Door	Last Name S-Z Via Designated Door	Bus students will be dismissed by Bus Cohort.  Afterschool care students will proceed to the theatre.

# Child Daily Self-Assessment

## DOES YOUR CHILD HAVE ANY OF THE FOLLOWING UNEXPECTED OR WORSENING SYMPTOMS?

Fever, cough, shortness of breath, sore throat, chills, headache, runny nose, conjunctivitis, nasal congestion, muscle or joint aches and pains, loss of sense of smell or taste, dizziness, nausea, vomiting, diarrhea, loss of appetite or fatigue.

**YES OR NO**

## IS YOUR CHILD EXPERIENCING ANY OF THE FOLLOWING?

Severe difficulty breathing, severe chest pain, having a very hard time waking up, feeling confused, lost consciousness, short of breath at rest, inability to lie down because of difficulty breathing, or chronic health conditions that you are having difficulty managing because of your current respiratory illness.

**YES OR NO**

## WAS YOUR CHILD EXPOSED TO SOMEONE WHO HAS BEEN CONFIRMED AS HAVING COVID-19 WITHIN THE LAST 14 DAYS?

**YES OR NO**

## IN THE PAST 14 DAYS HAS YOUR CHILD RETURNED FROM INTERNATIONAL TRAVEL?

**YES OR NO**

## CAREGIVER INFORMATION

Caregivers are required to conduct a daily self-assessment for children in their care to determine if they are healthy and able to attend school.

If your child answers "YES" to any of the above questions, begin self-isolation immediately. Contact Public Health at 8-1-1 for guidance and inform your child's school that they will not be in attendance.

If your child begins exhibiting symptoms of COVID-19 while at school you will be asked to pick them up immediately.

Children who regularly have symptoms that may be mistaken for COVID-19 symptoms are encouraged to provide a medical note to the school so that the teacher and necessary staff are aware.

To access the Saskatchewan Self-Assessment Tool please visit the Government of Saskatchewan or access with this QR Code

# RETURN TO SCHOOLS

## Safety Measures

### HIGHLIGHTS OF THE REOPENING LPSD SCHOOLS PLAN

#### PHYSICAL DISTANCING

In order to limit contacts, cohorts will be created and the number of teacher exchanges reduced. Staggered entry/exits and breaks will be in place. Directional signage around school to encourage physical distancing

#### DAILY SELF-ASSESSMENTS & ILLNESS POLICY

Families, students and staff to self monitor and must stay home if they are sick or have symptoms. Schools will designate an isolation area for students or staff who become sick while at school. Parents/caregivers to pick up students promptly if they become sick.

#### MASKS

Mask will be required for staff and students in Grades 4-12 where physical distancing cannot be maintained. LPSD will provide two reusable cloth masks with disposable masks available at schools. All visitors and guests will be asked to wear masks while in the school.

#### HAND HYGIENE

Staff and students will practice frequent hand washing and sanitizing. Hand sanitizer will be placed in common areas and classrooms.

#### TRANSPORTATION

Buses will be cleaned/sanitized between runs and masks will be required by all passengers. Parents/caregivers are encouraged to transport children when possible.

#### ENHANCED CLEANING

Frequent and enhanced cleaning/sanitization with increased attention to high points of contact, shared equipment and commonly used areas.
